

Residential Environmental Hazards: A Guide For Homeowners, Homebuyers, Landlords and Tenants

“Residential Environmental Hazards: A Guide For Homeowners, Homebuyers, Landlords and Tenants” is part of the *“Homeowners Guide To Environmental Hazards and Earthquake Safety,”* which includes the Federal *“Protect Your Family From Lead In Your Home”* pamphlet and the *“Homeowner’s Guide To Earthquake Safety.”* Homeowners or their agents must present these documents to homebuyers during a real estate transaction. The entire publication may be available in printed form through your real estate broker or from the outlets listed below. DTSC will send a .pdf file of the *“Residential Environmental Hazards: A Guide For Homeowners, Homebuyers, Landlords and Tenants”* portion of the document, in English or Spanish, to you by e-mail. Call (916) 324-8295 or email sfoss@dtsc.ca.gov to request a copy. For more information, please contact your attorney or real estate agent.
